NEW YORK, June 12, 2019 /PRNewswire/ -- Moore Kuehn, PLLC, a securities law firm located on Wall Street in downtown New York City, is investigating whether certain officers and directors of Wynn Resorts, Limited (NASDAQ: WYNN) breached their fiduciary duties to shareholders.

According to a federal securities lawsuit, Wynn insiders caused the company to make false and/or misleading statements and/or failed to disclose that: (1) Wynn's founder and CEO, Stephen A. Wynn, had engaged in a pattern of sexual misconduct with respect to Wynn employees, including instances of sexual assault; (2) discovery of the foregoing misconduct would subject Wynn to heightened regulatory scrutiny and jeopardize CEO Stephen A. Wynn's tenure at the company; and (3) as a result, Wynn's shares traded at artificially inflated prices.
