Thursday, November 07, 2019 11:15:00 PM (GMT)

NEW YORK, NY / ACCESSWIRE / November 7, 2019 / The Law Offices of Vincent Wong announce that class actions have commenced on behalf of certain shareholders in the following companies. If you suffered a loss you have until the lead plaintiff deadline to request that the court appoint you as lead plaintiff. *There will be no obligation or cost to you.*

Uber Technologies, Inc. (NYSE: UBER)

If you suffered a loss, contact us at: <http://www.wongesq.com/pslra-1/uber-technologies-inc-loss-submission-form?prid=4250&wire=1>

Lead Plaintiff Deadline: **December 3, 2019**

Class Period: on behalf of all persons and entities other than Defendants who purchased or otherwise acquired Uber securities pursuant and/or traceable to Uber's registration statement issued in connection with Uber's May 10, 2019 initial public stock offering.

Allegations against UBER include that: (1) at the time of the initial public offering, Uber was rapidly increasing subsidies for customer's rides and meals in a bid for market share, which caused the Company's sales and marketing expenses to swell; and (2) Defendants were cutting (or planned to cut) costs in key areas that undermined the Company's central growth opportunities.

Zendesk, Inc. (NYSE: ZEN)

If you suffered a loss, contact us at: <http://www.wongesq.com/pslra-1/zendesk-inc-loss-submission-form?prid=4250&wire=1>

Lead Plaintiff Deadline: **December 23, 2019**

Class Period: February 6, 2019 to October 1, 2019

Allegations against ZEN include that: (a) Zendesk's clients had been subject to data breaches dating back to 2016; (b) Zendesk was experiencing slowing demand for its Software as a Service offerings, particularly in Germany, the United Kingdom, and Australia, due in large part to political uncertainty and China trade issues there; and (c) as a result of the foregoing, Zendesk's business metrics and financial prospects were not as strong as defendants had led the market to believe during the Class Period.

iRobot Corporation (NASDAQ: IRBT)

If you suffered a loss, contact us at: <http://www.wongesq.com/pslra-1/irobot-corporation-loss-submission-form?prid=4250&wire=1>

Lead Plaintiff Deadline: **December 23, 2019**

Class Period: November 21, 2016 to October 22, 2019

The filed complaint alleges that defendants misrepresented the reason for iRobot's acquisitions of Tokyo-based Sales on Demand Corporation and privately-held Robopolis SAS, which was to control the Company's largest distributors so that defendants could inflate sales and revenue figures by stuffing the channel. Defendants further misled investors by repeatedly telling them throughout the Class Period that the Company was seeing continued double-digit revenue growth, and by attributing the growth to increased demand for the Roomba vacuums, when in reality defendants were engaging in channel-stuffing to artificially boost sales. Defendants also misstated that the Company's channel inventory levels had not changed and would not change dramatically from quarter to quarter or year over year, when in fact iRobot was deliberately stuffing the channel in order to claim false revenue growth.
