

NY Attorney General asks eBay to provide free credit monitoring for users amid security breach - Reuters
Thursday, May 22, 2014 06:04:48 PM (GMT)

- Headline only.
- In addition, Reuters reported earlier that the Connecticut AG is investigating the data breach.
- *Editor's note (added at 21:21): [Sky News reports](#) that Connecticut, Florida, and Illinois are jointly investigating the breach, and that the UK's Information Commissioner says he is actively considering a formal investigation of eBay.*
