

**Sears Holdings ticks higher; company says it has no information that a breach has occurred - Bloomberg**

**Friday, February 28, 2014 07:17:02 PM (GMT)**

- Stock is ticking higher likely as a result of Bloomberg headlines indicating Sear's is saying the company has no information that a data breach has occurred.
  - Note the stock was moving lower off previous Bloomberg headlines noting a possible data breach had occurred.
- Stock is currently trading at \$43.92; +2.14%
