

Federal government expanding investigation of Fox News culture - WSJ
Friday, May 05, 2017 09:17:56 AM (GMT)

- People familiar with the probe tell the WSJ that current and former Fox News employees have been interviewed as authorities try to determine how settlement payments for sexual-harassment allegations were structured and which executives played roles in the payments.
- One source tells the WSJ that the investigators seem to be interested in intimidation tactics that former CEO Roger Ailes signed off on.
- The sources tell the WSJ that the investigators are in the securities unit of the US attorney's office, and no prosecution will necessarily follow.
- People with knowledge of the matter tell the WSJ that 21st Century Fox CFO John Nallen has met with prosecutors.
