

Target close to \$20M settlement with MasterCard (MA) over data breach - WSJ
Wednesday, April 15, 2015 12:24:24 AM (GMT)

- Citing people familiar with the negotiations, the WSJ reports that the settlement may be announced as soon as this week. The \$20M covers costs that financial institutions incurred from Target's data breach in 2013.
- The people note that Target is having similar negotiations with Visa (V).
