

SHAREHOLDER ALERT: Goldberg Law PC Announces an Investigation of Signet Jewelers Limited and Advises Investors with Losses in Excess of \$100,000 to Contact the Firm
Thursday, April 20, 2017 10:46:00 PM (GMT)

[Goldberg Law PC](#), a national shareholder rights litigation firm, announces that it is investigating claims on behalf of investors of Signet Jewelers Limited ("Signet" or the "Company") (NYSE: SIG).

If you purchased or otherwise acquired Signet shares between August 29, 2013 and February 27, 2017, and would like more information regarding the investigation, we encourage you to contact [Michael Goldberg](#) or [Brian Schall](#), of Goldberg Law PC, 1999 Avenue of the Stars, Suite 1100, Los Angeles, CA 90067, at 800-977-7401, to discuss your rights without cost to you. You can also reach us through the firm's website at <http://www.Goldberglawpc.com>, or by email at info@goldberglawpc.com.

The investigation focuses on claims that Signet issued false and misleading statements and/or failed to disclose that alleged sexual harassment by employees of Signet's Sterling Family of Jewelers division ("Sterling") - including numerous incidents of sexual assault and rape which were detailed in approximately 249 declarations signed under penalty of perjury by current and former Sterling employees - made it unlikely that Signet would be able to avoid paying a sizable amount of damages in connection with a class action lawsuit filed by Sterling employees. Signet's stock traded at artificially inflated prices during the Class Period as a result of this information being withheld from the market. On February 27, 2017, *The Washington Post* published a report revealing widespread allegations of sexual harassment made in the private arbitration that implicated the Company's senior managers and executives.
