Adient plc (NYSE: ADNT)

Class Period: October 31, 2016 to June 11, 2018

Lead Plaintiff Deadline: December 3, 2018

The complaint alleges that throughout the Class Period, Defendants made materially false and/or misleading statements. In particular, the complaint alleges that defendants repeatedly stressed to investors that the

Company was “solidly on track” to deliver 200-basis-point margin expansion by 2020, which was largely dependent on operational and financial improvements in Adient’s core SS&M business, while unbeknownst to investors, Adient’s core SS&M business faced significant operational problems such that the repeatedly touted 200-basis-point margin expansion was not “on track” at any point during the Class Period. Consequently, Adient stock traded at artificially inflated prices during the Class Period, reaching a high of \$85.93 per share.
