**Friday, November 22, 2019 09:30:00 PM (GMT)**

The Western Union Company (NYSE:WU), announced today the total consideration payable in connection with its previously announced cash tender offer (the “Tender Offer”) for any and all of its outstanding 5.253% notes due 2020 (the “Notes”).

The Tender Offer is being made upon the terms and subject to the conditions set forth in the Offer to Purchase and related Letter of Transmittal and Notice of Guaranteed Delivery dated November 18, 2019. The Tender Offer will expire today, November 22, 2019, at 5:00 p.m. (New York City time), unless extended or terminated as described in the Offer to Purchase (such time and date, as they may be extended, the “Expiration Time”).

The Total Consideration for the Notes is set forth in the table below.

Title of Security	CUSIP / ISIN	CUSIP / ISIN (144A)	CUSIP / ISIN (Reg S)	Principal Amount Outstanding	U.S. Treasury Reference Security	Reference Yield	Fixed Spread (bps)	Total Consideration
5.253% notes due 2020	959802AL3 / US959802AL36	959802AK5 / US959802AK52	U95769AF9 / USU95769AF98	\$324,921,000	1.375% notes due March 31, 2020	FIT3	15	\$1,011.99(1)

(1) Per \$1,000 principal amount of Notes.

In order to be eligible to receive the “Total Consideration,” holders must (i) validly tender their Notes at or prior to the Expiration Time or (ii) deliver a properly completed Notice of Guaranteed Delivery and all other required documents at or prior to the Expiration Time and validly tender their Notes at or prior to 5:00 p.m. (New York City time) on the second business day after the Expiration Time pursuant to guaranteed delivery procedures. In addition to the Total Consideration, accrued and unpaid interest up to, but not including, the Settlement Date (as defined below) will be payable in cash on all validly tendered and accepted Notes. Interest will cease to accrue on the Settlement Date for all Notes accepted for purchase in the Tender Offer, including any such Notes tendered through guaranteed delivery procedures. As a result, Notes tendered through the guaranteed delivery procedures will not receive accrued interest from the Settlement Date through the Guaranteed Delivery Settlement Date, which is expected to be November 27, 2019.

Payment for Notes validly tendered in the Tender Offer and accepted by the Company for purchase will be made on the date referred to as the “Settlement Date” or, in the case of Notes tendered through guaranteed delivery procedures, the “Guaranteed Delivery Settlement Date.” The Settlement Date is expected to occur November 25, 2019, and the Guaranteed Delivery Settlement Date is currently expected to occur on November 27, 2019.

As described in the Offer to Purchase, tendered Notes may be withdrawn at any time on or prior to the earlier of (i) the Expiration Time and (ii) in the event that the Tender Offer is extended, the 10th business day after commencement of the Tender Offer; provided that Notes tendered pursuant to the Tender Offer may also be withdrawn at any time after the 60th business day after commencement of the Tender Offer if for any reason the Tender Offer has not been consummated within 60 business days of commencement. Holders of the Notes are urged to carefully read the Offer to Purchase and related Letter of Transmittal and Notice of Guaranteed Delivery before making any decision with respect to the Tender Offer.

The closing of the Tender Offer is subject to the satisfaction or waiver of certain conditions as set forth in the Offer to Purchase.

The Company reserves the right, subject to applicable law, to (i) waive any and all conditions to the Tender

Offer, (ii) extend the Expiration Time, (iii) amend the Tender Offer in any respect (including, without limitation, to change the fixed spread) or (iv) terminate the Tender Offer on or prior to the Expiration Time and return the Notes tendered pursuant thereto, in each case by giving written or oral notice of such extension, amendment or termination to Global Bondholder Services Corporation, the tender agent (in such capacity, the "Tender Agent").

If any Notes remain outstanding after the consummation of the Tender Offer, the Company expects (but is not obligated) to redeem such notes in accordance with the terms and conditions set forth in the related indenture.

This press release is for informational purposes only and is neither an offer to purchase nor a solicitation of an offer to sell the Notes.
