

Uber being investigated by EEOC over gender discrimination -- WSJ, citing sources
Monday, July 16, 2018 03:02:30 PM (GMT)

- The investigation, which started last August, but hasn't previously been reported, according to the WSJ, originated from a complaint about gender inequity, according to sources.
- The EEOC has been interviewing former and current Uber employees and is seeking documents from Uber officials
