

Equifax receives letter from 32 attorney generals regarding data breach
Friday, September 15, 2017 06:34:55 PM (GMT)

- EFX received letter from the Attorney General's offices representing 31 states and the District of Columbia regarding the data breach EFX recently disclosed to the public
- The AGs remain concerned that Equifax continues to market its fee-based services to consumers affected by its data breach, and object to EFX seemingly using its own data breach as an opportunity to sell services to breach victims
- A link to the letter is attached below:
