Campaign Summary:

On 4-10-2017, Trillium Asset Management LLC filed a notice of exempt solicitation which urged shareholders of Travelers Companies, Inc. to support a shareholder proposal that asked the company to prepare a diversity report, at the company's 2017 annual meeting. Such report would include a chart that would identify employees in accordance to gender and race in major Equal Employment Opportunity Commission (EEOC)-defined job categories, with numbers or percentages in each category, and policies/programs focused on increasing gender and racial diversity in the workplace. Trillium added that the said proposal was not cost prohibitive, and that the company would simply need to make the chart publicly available to satisfy the proposal.
