NEW ORLEANS, Aug. 30, 2019 /PRNewswire/ -- Former Attorney General of Louisiana, Charles C. Foti, Jr., Esq., a partner at the law firm of Kahn Swick & Foti, LLC ("KSF"), announces that KSF has commenced an investigation into Capital One Financial Corporation (NYSE: COF).

On July 29, 2019, the Company disclosed that it had suffered a massive data breach wherein the personally identifiable information of more than 100 million customers and credit applicants was obtained by hackers. Then, on August 15, 2019, *The Wall Street Journal* reported that, prior to the data breach, "employees raised concerns within the company about what they saw as high turnover in its cybersecurity unit and a failure to promptly install some software to help spot and defend against hacks," according to its sources.

KSF's investigation is focusing on whether Capital One's officers and/or directors breached their fiduciary duties to Capital One's shareholders or otherwise violated state or federal laws.
