- The NY Post reports that Les Moonves is threatening to sue CBS over leaks of the lurid details of his alleged sexual misconduct. Moonves' lawyers are said to be preparing a suit alleging that that leaks to the New York Times this week about CBS' pending investigation into Moonves violated a confidentiality agreement and hurt Moonves' reputation.
- At stake is Moonves' \$120M exit package, which could get reduced or completely wiped out if CBS' board finds that he violated the company's harassment policies.
