

Photo Advisory - ABB and IBM Partner in Industrial Artificial Intelligence Solutions
Tuesday, April 25, 2017 03:16:00 PM (GMT)

NEW YORK, April 25, 2017 /PRNewswire/ -- A photo now accompanies the press release distributed earlier, **'ABB and IBM Partner in Industrial Artificial Intelligence Solutions,'** that media can view here: http://mma.prnewswire.com/media/493986/IBM_and_ABB.jpg

Caption: At Hannover Messe, IBM and ABB announced a new partnership in industrial artificial intelligence that will combine the power of IBM Watson with ABB Ability, the comprehensive digital offering of ABB, to unlock new value for clients in utilities, industry, transport and infrastructure. Pictured, Harriet Green, General Manager Watson IoT, Customer Engagement and Education, IBM; and Guido Jouret, Chief Digital Officer, ABB, discuss the future of cognitive and industrial machines.
