

**WSJ's Heard on the Street column says consequences for Steve Wynn dictates the future of Wynn Resorts**

**Monday, January 29, 2018 11:01:28 PM (GMT)**

- The column says that Steve Wynn is integral to Wynn Resorts and its operations. With the allegations of sexual harassment hurting the company's reputation and gaming regulators also reviewing the information, the board will weigh the pros and cons of keeping Wynn or letting him go. The piece notes that the best bet may be to break up or sell the company regardless of whether Wynn stays as recent weakness in shares may open up opportunities for other players.
