Progressive selected from more than 800 companies for the annual LATINA Style 50

Progressive® Insurance has been named to the LATINA Style 50, [LATINA Style](#) magazine's annual list of the best companies for Latinas in the U.S. This is the second year in a row the publication has recognized the car insurance company as a great employer for Hispanic women. The LATINA Style 50 is the most respected evaluation of corporate America's employment policies and practices as they pertain to Hispanic women.

LATINA Style editors reviewed more than 800 applications from Fortune 1,000 companies before naming this year's honorees. Winners were selected based on their leadership programs, employee benefits and Latina representation in senior positions. Progressive earned a spot on the list in part because of its Hispanic and Latino recruiting efforts. Progressive recruiters advertise for [jobs at Progressive](#) on and in Hispanic/Latino job boards and publications. Progressive also has a Hispanic employee resource group which promotes an inclusive and diverse workplace.

"At Progressive, diversity is an essential part of creating a dynamic workforce and an outstanding environment for our employees, and it is crucial in providing exceptional service to our customers," said Tiffany Collins, who spearheads Progressive's diversity and inclusion employee resource group efforts. "It's an honor to again receive this recognition from LATINA Style magazine."
