

**Yahoo settles data-breach claims for \$117.5M - AP**  
**Thursday, April 11, 2019 03:29:40 AM (GMT)**

- Citing documents filed yesterday, the article says that if the revised agreement is approved, people who had information taken from their accounts in 2013-4 will get two years of free credit-monitoring services and other potential restitution that will be paid by Verizon and Altaba.
