

**UAL Announces Proposed Public Offering of Common Stock**  
**Tuesday, April 21, 2020 08:42:00 PM (GMT)**

CHICAGO, April 21, 2020 /PRNewswire/ -- United Airlines Holdings, Inc. (NASDAQ:UAL) today announced an underwritten public offering of 39,250,000 shares of its common stock, subject to market conditions and other factors. Morgan Stanley and Barclays are acting as the underwriters of the offering. The Company has also granted to the underwriters a 30-day option to purchase up to 3,925,000 additional shares. The proceeds from the offering will be used for general corporate purposes.

A registration statement (including prospectus) relating to these securities was filed with the Securities and Exchange Commission (the "SEC") and became effective upon filing. Information about the offering is available in the preliminary prospectus supplement filed by the Company with the SEC today at [www.sec.gov](http://www.sec.gov). Before investing, please read the prospectus in that registration statement and other documents UAL has filed with the SEC for more complete information about UAL and the offering. Copies of the preliminary prospectus supplement and the accompanying prospectus relating to the offering may be obtained by contacting Barclays Capital Inc., c/o Broadridge Financial Solutions, 1155 Long Island Avenue, Edgewood, NY 11717, [Barclaysprospectus@broadridge.com](mailto:Barclaysprospectus@broadridge.com), telephone: (888) 603-5847 or Morgan Stanley & Co. LLC, 180 Varick Street, 2nd Floor, New York, NY 10014, Attention: Prospectus Department.

The offering of these securities is being made solely by means of a prospectus supplement and the accompanying prospectus. This press release shall not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of any securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

**Additional Information for Investors**

This press release shall not constitute an offer to sell, or the solicitation of an offer to buy any securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

**About United**

United's shared purpose is "Connecting People. Uniting the World." We are more focused than ever on our commitment to customers through a series of innovations and improvements designed to help build a great experience: Every customer. Every flight. Every day. In 2019, United and United Express operated more than 1.7 million flights carrying more than 162 million customers. United is proud to have the world's most comprehensive route network, including U.S. mainland hubs in Chicago, Denver, Houston, Los Angeles, New York/Newark, San Francisco and Washington, D.C. United operates 791 mainline aircraft and the airline's United Express partners operate 581 regional aircraft. United is a founding member of Star Alliance, which provides service to 195 countries via 26 member airlines. For more information, visit [united.com](http://united.com), follow @United on Twitter and Instagram or connect on Facebook. The common stock of United's parent, United Airlines Holdings, Inc., is traded on the Nasdaq under the symbol "UAL".

**Safe Harbor Statement**

Certain statements in this release are forward-looking and thus reflect the Company's current expectations and beliefs with respect to certain current and future events, including the anticipated offering of common stock. Such forward-looking statements are and will be subject to many risks and uncertainties relating to the Company's operations and business environment that may cause actual results to differ materially from any future results expressed or implied in such forward-looking statements. Words such as "expects," "will," "plans," "anticipates," "indicates," "remains," "believes," "estimates," "forecast," "guidance," "outlook," "goals," "targets" and similar expressions are intended to identify forward-looking statements. Additionally, forward-looking statements include statements that do not relate solely to historical facts, such as statements which identify uncertainties or trends, discuss the possible future effects of current known trends or uncertainties, or which indicate that the future effects of known trends or uncertainties cannot be predicted, guaranteed or assured. All forward-looking statements in this release are based upon information

available to the Company on the date of this release. The Company undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, changed circumstances or otherwise, except as required by applicable law.

The Company's actual results could differ materially from these forward-looking statements due to numerous factors including, without limitation, the following: the existing global COVID-19 pandemic and the outbreak of any other disease or similar public health threat that affects travel demand or travel behavior; the final terms of borrowing pursuant to the Loan Program under the CARES Act, if any, and of the grant and promissory note through the Payroll Support Program under the CARES Act; the costs and availability of financing; the Company's ability to maintain adequate liquidity; the Company's ability to comply with the terms of its various financing arrangements; the Company's ability to execute its strategic operating plan, including its growth, revenue-generating and cost-control initiatives; general economic conditions (including interest rates, foreign currency exchange rates, investment or credit market conditions, crude oil prices, costs of aircraft fuel and energy refining capacity in relevant markets); risks of doing business globally, including instability and political developments that may impact its operations in certain countries; demand for travel and the impact that global economic and political conditions have on customer travel patterns; the Company's capacity decisions and the capacity decisions of its competitors; competitive pressures on pricing and on demand; changes in aircraft fuel prices; disruptions in the Company's supply of aircraft fuel; the Company's ability to cost-effectively hedge against increases in the price of aircraft fuel, if it decides to do so; the effects of any technology failures, cybersecurity or significant data breaches; disruptions to services provided by third-party service providers; potential reputational or other impact from adverse events involving the Company's aircraft or operations, the aircraft or operations of its regional carriers or its code share partners or the aircraft or operations of another airline; the Company's ability to attract and retain customers; the effects of any terrorist attacks, international hostilities or other security events, or the fear of such events; the mandatory grounding of aircraft in the Company's fleet; disruptions to the Company's regional network; the impact of regulatory, investigative and legal proceedings and legal compliance risks; the success of the Company's investments in other airlines, including in other parts of the world; industry consolidation or changes in airline alliances; the ability of other air carriers with whom the Company has alliances or partnerships to provide the services contemplated by the respective arrangements with such carriers; costs associated with any modification or termination of the Company's aircraft orders; disruptions in the availability of aircraft, parts or support from its suppliers; the Company's ability to maintain satisfactory labor relations and the results of any collective bargaining agreement process with its union groups; any disruptions to operations due to any potential actions by the Company's labor groups; labor costs; the impact of any management changes; extended interruptions or disruptions in service at major airports where the Company operates; U.S. or foreign governmental legislation, regulation and other actions (including Open Skies agreements, environmental regulations and the United Kingdom's withdrawal from the European Union); the seasonality of the airline industry; weather conditions; the costs and availability of aviation and other insurance; the Company's ability to realize the full value of its intangible assets and long-lived assets; any impact to the Company's reputation or brand image and other risks and uncertainties set forth under Part I, Item 1A., "Risk Factors," of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2019 as well as other risks and uncertainties set forth from time to time in the reports it files with the SEC.
