

Target CEO resigns ahead of report into data breach - WSJ
Tuesday, May 06, 2014 02:47:26 AM (GMT)

- In a front-page article, the WSJ reports on the ousting of Target CEO Gregg Steinhafel which was brought to a head by the credit-card breach at Christmas, but also underlied by an ineffective response a changing competitive market and poor execution of Target's Canadian expansion.
