

AT&T Hiring Nearly 600 Employees In California
Thursday, October 08, 2015 12:28:00 AM (GMT)

DALLAS, Oct. 7, 2015 /PRNewswire/ -- [AT&T](#)* is looking to fill nearly 600 jobs in California, including nearly 340 retail positions from Sacramento to San Diego. Those interested in applying for retail sales consultant positions can attend open house/hiring events at AT&T retail stores across the state on Thursday, Oct. 8.

Hiring events will be held at the following AT&T retail locations and times:

- Cerritos (corporate office) - 12900 Park Plaza – 9 a.m.-3 p.m.
- Milpitas - 185 Ranch Drive – 7 a.m.-3 p.m.
- San Diego (corporate office) - 5738 Pacific Blvd. – 9 a.m.-3 p.m.
- San Francisco - 3555 Geary Blvd. – 7 a.m.-3 p.m.
- San Leandro - 1560 E. 14th Street – 7-10 a.m.
- Santa Barbara - 3889 La Cumbra Plaza Lane – 9 a.m.-3 p.m.
- Ventura - 1788 S. Victoria Ave. – 9 a.m.-3 p.m.

Walk-ins are welcome, but applicants are encouraged to apply online before the events; this helps speed up the interview process. For a list of available positions, including 200 technician jobs, in California, and to apply, visit <http://connect.att.jobs/California>.

In the first 8 months of 2015, AT&T has hired 750 Californians for call center, corporate support, consumer sales, IT/engineering, retail and technician positions. AT&T currently employs nearly 37,000 people throughout California.

Full-and part-time AT&T jobs include competitive wages and benefits. AT&T is committed to diversity and veteran recruiting. It has doubled its hiring goal for veterans and their family members to 10,000 over 5 years, consistent with its commitment to equal employment opportunities. "AT&T is constantly innovating and investing in California, and we look forward to welcoming more new employees so we can continue to provide our customers with industry-leading products and services," said Ken McNeely, president of AT&T California.

California Assemblymember Evan Low said, "I am pleased that AT&T is creating these exciting new career opportunities across California. The company's continued investment in our state is essential to growing our economy."

From 2012 through 2014 in California, AT&T has invested nearly \$7.4 billion in its best-in-class wireless and wired networks, driving a wide range of upgrades to reliability, coverage, speed and performance for residents and business customers.
