

Allpoint Network Key to Fifth Third Bank Transformation

Tuesday, July 19, 2016 11:30:00 AM (GMT)

HOUSTON, July 19, 2016 (GLOBE NEWSWIRE) -- [Fifth Third Bancorp](#), the 15th-largest U.S. bank holding company with \$106 billion in total deposits, has joined [Allpoint Network](#), the world's largest surcharge-free ATM network, with 55,000 ATMs across the United States and beyond.

The footprint, form and function of banking is evolving. Customers need always-on access to banking services. The Allpoint-Fifth Third partnership enables Fifth Third to meet consumer demand for easy access to cash.

Allpoint Network ATMs – conveniently placed in premier retailer locations – are within Fifth Third's branch footprint, as well across the nation from Southern California to New England, making cash access quick and easy for Fifth Third customers.

In the Greater Cincinnati Metro Area, for example, Allpoint adds more than 300 surcharge-free ATMs to Fifth Third's network, featuring the increased convenience of locations including Target, Walgreens and CVS/pharmacy stores, as well as select convenience and grocery stores and many other businesses.

Chad Borton, head of the Consumer Bank and executive vice president, Fifth Third Bancorp said:

"We aim to enable seamless and easy interactions with Fifth Third, regardless of where our customers are and when they need us. This ATM network expansion fulfills on that by giving customers the opportunity to withdraw cash where and when it's convenient for them."

Bill Knoll, executive vice president and managing director, Allpoint commented :

"Branch transformation is here and well underway because the consumer has decided that on-demand and convenience are very important to them. Allpoint Network was designed with this self-service era of banking in mind, and we've assembled an unrivaled roster of premier retail partners to ensure that Allpoint ATMs already are where account holders want to be."

Melissa Stevens, Chief Digital Officer and head of omnichannel banking, Fifth Third Bancorp added:

"Fifth Third has embarked on a digital transformation to engage with our customers where they want us; whether it's checking balances, transferring money, or getting cash, we aim to make things easy for our customers. This ATM network expansion provides more convenient access to our customers."
