Cronos Group, Inc. (NASDAQGM: CRON)

On August 30, 2018, Citron Research published an article entitled "Cronos: The Dark Side of Cannabis Space," alleging, among other things, that the Company has been "deceiving the investing public by purposely not disclosing the size of its distribution agreements with provinces – unlike every other major cannabis player" and that this was because "the agreements are so small that they could never justify the premium investors are paying for the stock." On this news, Cronos' share price fell over 28%, to close at \$9.12 per share on August 30, 2018.
