

Uber releases safety report from the years 2017-2018
Friday, December 06, 2019 12:40:44 AM (GMT)

- The release provides statistics regarding sexual assault and misconduct figures as well as physical assaults and motor vehicle fatalities
- **According to the Executive Summary:**
 - For the trips in 2017 and 2018:
 - 1.4% of trips had a support request of any kind, most frequently for issues such as lost items, refunds, or route feedback.
 - 0.1% of trips had a support request for a safety-related concern, and the majority of those concerns were about less-severe safety issues such as complaints of harsh braking or a verbal argument.
 - 0.0003% of trips had a report of a critical safety incident, which are the incidents referenced in this report
