

Discover Adding over 160 Jobs in Its West Valley Call Center
Wednesday, May 08, 2019 02:00:00 PM (GMT)

Discover is looking to fill more than 160 Discover Student Loans positions in its West Valley location. This hiring initiative will feature seasonal positions working with student loan applications, loan processing and customer service. There is the potential for some of these positions to convert into full-time.

"We are looking for caring candidates that can help families navigate the decisions around paying for college," said Steve Peck, Vice President, Discover Utah Customer Care Center. "These potential employees must be able to help families do everything from filling out an application to answering questions as they decide if a student loan is right for them."

The West Valley location is home to many amenities including an outdoor walking path, lounge areas, and sports facilities. The full service cafeteria includes a variety of healthy eating options with nutrition information included on freshly made dishes. Discover also promotes employee wellness by having an on-site nurse and counselor.

"Discover is a great place to work, both from a campus and culture perspective. We embrace values such as collaboration, inclusion and respect. Our Utah locations have been recognized for being a top place to work for the past five years," said Peck. "We are looking for candidates who are drawn to this type of atmosphere."

Discover operates only U.S.-based customer care centers. To view all current Discover job opportunities, including information regarding other locations and benefits, please visit jobs.discover.com.

Discover Financial Services is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, protected veteran status, among other things, or as a qualified individual with a disability.
